ROP Spring 2024 Registration

Registration for Spring 2024 is coming up next month in November. ROP has many benefits. It provides both in-class and hands-on experiences and develops soft skills that are needed in today's economy. It also helps students with high school and community college credits (articulated courses). In addition, it helps students stand out in college applications with internship experiences and supports interest in a major. We have some exciting classes to offer our students.

Enrollment dates are based on grade levels:

Seniors - Monday, November 13th at 4 PM

Juniors - Wednesday, November 15th at 4 PM

Freshman and Sophomores - Friday, November 17th at 4 PM
