The High School

University High School is a comprehensive high school in Orange County, California, with an enrollment of 2,282 students. The school's 55-acre campus is in close proximity to several institutions of higher learning, including the University of California, Irvine, Concordia University and Chapman University. In addition, University High School is the home of the Orange County Deaf and Hard of Hearing program with an enrollment of 61 students who fully participate in the school's academic, athletic and activities programs. Ninety-seven percent of University High School graduates enter post-secondary educational programs.

University High School students have consistently been successful in national and state academic awards programs such as the National Merit Scholarship Program, the Siemens Foundation Awards Program and the Robert C. Byrd Scholarship Program. Over 80% of our graduating seniors have/will complete a minimum college preparatory course of studies.

University High School is accredited by the Western Association of Schools and Colleges (WASC). University High School is frequently recognized by national publications for being an outstanding college prep high school. In the past several years alone, University High School has appeared on top high school lists compiled by the Washington Post, Newsweek and US News and World Report. In 2015, University High School had the honor of being labeled a Gold Ribbon School, which honors outstanding, innovative schools throughout the state of California.

The school's mission is to enable each student to become a contributing member of society with an appreciation for complexity and ambiguity, empowered with the knowledge, skills, and values necessary to meet the challenges of a changing world by providing the highest quality educational experience we can envision.

Students

University High School supports a diverse student body. Our 2,282 students come from many different countries of the world, and a percentage of our students self identify with multiple ethnicities.

Student Enrollment by Grade Level:

Grade 9	546
Grade 10	533
Grade 11	524
Grade 12	511
Total	2282

Student Enrollment by Ethnicity:

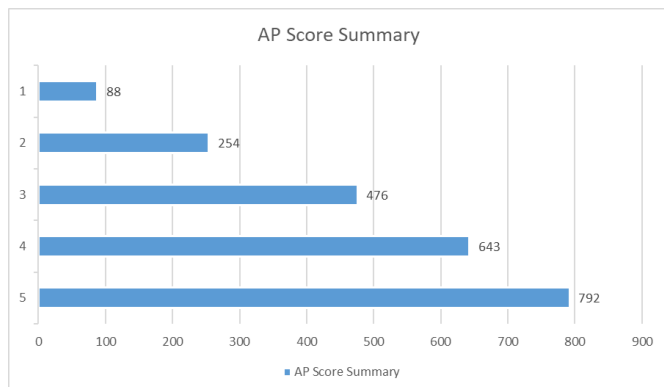

Group	% of total enrolled
African American/Black	2.47%
American Indian	.18%
Asian (Asian Indian, Chinese, Japanese, Korean, Vietnamese, Other Asian)	38.98%
Caucasian	32.75%
Filipino/Pacific Islander	1.70%
Hispanic	12.05%
Other/Multi-Ethnic	11.86%

University High School: Academic Achievement Data

Advanced Placement exams 2021:

880 students participated in the AP test program and took 2,221 exams.

Class Rank: By district policy, students are NOT RANKED.

Grade Point Average Computation:

A = 4 points B = 3 points C = 2 points D = 1 point F = 0 points

In determining Grade Point Average, one point per semester is added for each course taken from Advanced Placement and specific Honors level courses as noted on the transcript.

Transcript Data:

Academic GPA: This represents marks earned during grades 9-12. Excluded are non-college preparatory courses, physical education, athletics, and courses earning a grade of "Pass" or "Credit".

Total GPA: This represents marks earned during grades 9-12. Excluded are courses earning a mark of "Pass" or "Credit".

Courses taken at the middle school that are not on the University High School transcript include Algebra 1 or a higher level mathematics course and some Level 1 World Language courses.

Community Service is not required for graduation. However, students who complete 25 hours or more of voluntary community service during the school year are eligible to receive a notation on the transcript.

Academic Honesty and Integrity:

All students are expected to demonstrate honesty and integrity while in attendance at University High School and each student signs an Academic Honesty Contract. Students are expected to do their own work. This includes test taking, homework, class assignments and the creation of original essays, compositions, term papers and scientific research.

University High School: Curriculum

University High School offers a rigorous academic curriculum. The majority of classes are offered at the College Preparatory level. Students who meet course prerequisites may enroll in *Honors and Advanced Placement courses*. There are six class periods during the regular school day. An optional seventh class is available for students who participate in Drama, Music, Leadership, Journalism, and Yearbook/Photojournalism. The Irvine Unified School District's minimum credit requirements for high school graduation are listed below.

English*	40	Science	20	World Language or Visual/Performing Arts	10	Physical Education	20
Mathematics (Algebra 1 or higher)	20	Social Science	30	Health	5	Additional courses & electives	70
						<u>Total</u>	<u>215</u>

*10 credits of ELA 1 and 10 credits of ELA 2 will count towards English for graduation

College Preparatory (CP) Course Offerings by Subject Area:

We offer 7 year long Honors/Enhanced courses and 24 Advance Placement courses. Courses indicated with an asterisk * receive an extra point in the grade point average calculation. Students taking these courses during the 10th, 11th, or 12th grades will be awarded bonus points by the University of California system (UC): i.e. A=5, B=4, C=3.

San Joaquin High School (IVA)

San Joaquin High School (IVA) is the alternative education high school in Irvine Unified School District which holds WASC accreditation, A-G course approval and NCAA approval. San Joaquin High School (IVA) serves 485+ students this year, with a senior class size of 183 (as of fall 2021). IUSD maintains this academic model in response to COVID-19 for students and families who needed to remain at home for safety reasons. Students attend school daily through a virtual platform and use approved curriculum, assessments, and resources.

Who attends San Joaquin High School (IVA)

Students from all five comprehensive high schools had the option to enroll at the beginning of the school year. Students commit to stepping away from their home-high school and enrolling in San Joaquin HS (IVA). Students have the option to continue through the entire 21-22 school year, or to return to their home high school at any point in the year. Students have the option of blending San Joaquin HS (IVA) classes from their home school site into their schedule, in an effort to open up access to all students. Students from other IUSD campuses can also blend courses at IVA.

San Joaquin HS (IVA) Curriculum and Sequencing

San Joaquin HS (IVA) has many options that match the curriculum that students would have available at their home-site high school. Since San Joaquin HS (IVA) is supporting all five high schools, all with different programs and course sequences, content and course names may not fit an exact match to the sequencing at each home high school. IVA began its own independent course sequence this year. Course offerings are matched as best they can be to the requests students made at their home-site school.

GPA and Ranking

In line with other IUSD schools, San Joaquin HS does not rank students. SJHS will provide decile rankings upon special request from colleges and scholarships based on the student's non-weighted GPA. This is to balance the differences between all of the IUSD home-site course sequencing. When evaluating student weighted GPA, each student should be considered within the context of their home-site school. Home-site IUSD high school profiles can be accessed by the links provided below.

Honors Courses

(Weight decided by home school)

Honors English 1,2,3
Honors World History
Honors US History
Enhanced Math II
Enhanced Math III*
Honors Living Earth
Honors Chemistry of the Earth
Honors Korean IV*
