

UNIVERSITY HIGH SCHOOL

8TH GRADE FAMILY NIGHT

Mark the date - Wednesday, March 19, 2025

WELCOME TO UHS CLASS OF 2029!

8th Grade Family Night is an evening for incoming 9th grade students and their parents held on **Wednesday, March 19** starting at 5:30 PM! Come learn about our high school program and all that UHS has to offer! We ask you start between **5:30 - 6:30 PM** in front of the MPR to pick up your parent packet. From there you are welcome to look at myriad clubs and programs in our "Co-Curricular Fair" from 5:00 PM - 7:00 PM. An athletic meeting and fair starts at 6:15 PM.

All students will attend **both the Pep Assembly and a Visual Arts Presentation** (students will be split and attend each presentation). The assembly is in the Gym and the Visual Arts Presentation is in the theater from 7:00 PM - 8:00 PM. The assembly and arts show is designed to get incoming students excited about the Trojan culture and all the opportunities to get involved.

Parents attend the Academic Presentation in either the MPR or Library. The goal is to educate parents about the transition from 8th grade to 9th grade. Students will be assigned a time for the pep assembly and VAPA presentation. Parents will be assigned a time /place for the 45 minute academic presentation.

Unfortunately, with all we want to share with you, there is not time for individual Q&A on specific topics after the presentations. The evening is designed to provide general information on the transition from 8th to 9th grade. There will be a full hour of Q&A at Rancho San Joaquin Middle School at **8:00 AM on March 25**. If you are unable to participate in that forum, please reach out to your middle school counselor with specific questions - they are very well versed in the transition information and can get answers from the high school counselors if needed.

[Click here for a link](#) to the 9th grade "Incoming Freshmen" presentation slides (updated soon), Course Selection Form (opens March 25), and the FAQ from previous years (will be updated after March 25).

Schedule of Events for the evening is listed on the back and will be included in the packet distributed that night.
