Dear Parent or Guardian:

The Orange County Registrar of Voters' office would like to formally request your student's participation in the upcoming Presidential General Election on Tuesday, November 5, 2024.

The Registrar of Voters is dedicated to involving future voters in the electoral process through our High School Student Volunteer Program. Through this program, we will be recruiting 400 high school students to serve as Student Customer Service Representatives (CSRs) on Election Day at Vote Centers throughout the County.

California elections law allows students to be excused from school to serve as an election worker so long as they meet the following qualifications:

- At least 16 years of age or older
- A grade point average of at least 2.5 on a 4.0 scale
- In good standing attending a public or private secondary educational institution
- A U.S. Citizen or Legal Permanent Resident
- Written approval from the school and parent/guardian

We are seeking highly motivated students for the opportunity to join thousands of students in the State of California and gain first-hand experience in the elections process. In addition to gaining invaluable experience, students who complete training and participate in the High School Student Volunteer Program are eligible for a \$120 stipend.

Recruitment will begin on Tuesday, September 3, 2024, and will continue until Monday, October 7, 2024. Spaces are limited and students are encouraged to apply early.

The first step is to complete a High School Student CSR Application to be considered for the program. Our first information session for parents, students, and school administrators is Tuesday, September 10, 2024, via Zoom. Email student@ocvote.gov to sign-up.

If you have any questions, please contact us at 714-567-7565 or visit our website at ocvote.gov/student.

We look forward to hearing from you and working with your student during the upcoming election.

Respectfully,

High School Student Volunteer Program | Orange County Registrar of Voters
