Welcome UNI Trojans!

Hi students! IUSD is proud to provide you with Naviance. Naviance is a comprehensive online college and career planning platform that helps students identify their strengths, discover careers, and prepare for post-secondary goals. Students have the opportunity to complete multiple grade level tasks within the Naviance platform that support college and career readiness for all students. Be on the lookout for these important tasks. Some Naviance tasks will be completed with support from your school counselors, and others you will complete on your own.
