# Keep In Mind...

## Ivy Leagues are hyper-selective

- Harvard had a 4.59% acceptance rate for 2018 (42,749 applicants; 1,962 admits)
- Harvard receives more applications from Valedictorians alone than there are places in the freshmen class.

## UC Admission

- UCLA had a 14.1% acceptance rate for 2018 (113,748 applicants; 16,020 admits)

## We always encourage students to apply to 1 or 2 reach schools

- Students also need to investigate less selective schools that they would be happy to attend.

# Naviance

- Program to help students and parents with career and college planning
- Program includes:
  - Career Inventories
