Keep In Mind...

Ivy Leagues are hyper-selective

- Harvard had a 5.8% acceptance rate for 2017 (nearly 40,000 applicants; 2,029 admits)
- Harvard receives more applications from Valedictorians alone than there are places in the freshmen class.

UC Admission

- UCLA had a 18% acceptance rate for 2017 (97,121 applicants; 17,474 admits)

We always encourage students to apply to 1 or 2 reach schools

- Students also need to investigate less selective schools that they would be happy to attend.
