# Academics

- Encourage your students to do their best.
- Office Hours:
  - Wednesday and Thursdays
- Check in with them to see how they are doing (AERIES.net is a great tool for this.).
- 9th Grade can be a transition to empower our students...slowly release ownership of their life and choices to them
- Issues with teachers (and coaches) should be attempted to be resolved in the following order:
  - Student with teacher
  - Student and parents with teacher
  - Student and parents with teacher and administrator.

# Attendance

- Students must be on time.
  - There are consequences for students who are tardy. See the [Trojan Code](#) on the UNI website for further information.
  - Plan on arriving to school 15-20 minutes early.
  - Parking lot gets very busy.
- Checking in & out of school must be done at the Attendance Window.
- If absent, you have 3 days to clear the absent.
  - Try to get into the practice of calling in the day of the absence
- If your student attends a doctor's appointment, they must return the following day with a doctor's note.
- Check in on your student's attendance periodically (AERIES.net is a great tool for this.).

# Parking, etc.

- If possible, avoid last 15 minutes before school begins
- Library hours / Front Office Hours
  - 7:00-3:00 / 7:00-3:30 / CCAs
- Visitor's parking
- Traffic Flow
  - Drop off and Pick up areas
