1 March 2019

Trojans--

Next week, University High School will conduct an administration of the PSAT for all current 9th graders, the PACT for all current 10th graders, and the CAST for all current 11th graders. Students do not need to study for these exams. The best way to prepare is to get a good night's sleep and eat a healthy breakfast.

We will be on special schedules next week to accommodate testing. **On Wednesday, March 6th, all 9th and 10th graders will report to testing rooms for a 45 minute pre-administration period beginning at 8:00. Current 11th and 12th graders need to report to school for Period 1 which begins at 8:51.**

All 9th, 10th, and 11th graders will be testing on Thursday, March 7th from 8-11. There will be no Zero Period that day. Students should report promptly to their testing room both days. Ninth and tenth graders should bring an approved calculator for the test. A list of those calculators can be found here for [9th grade PSAT](#) and here for [10th grade PACT](#). All students should bring a book or homework with them should they finish early. ***Students and parents received information regarding testing rooms over email as well as during Period 3 on Friday, March 1st.***

Senior Activity Day at Magic Mountain will be on Thursday March 7th with a ***mandatory meeting at 8 AM in the gym prior to departure.***

For your convenience, you can find a copy of next week's schedule below.

Thank you!
