Sophomore Conferences

The counseling team started sophomore conferences. It will be on Tuesdays, Wednesdays, Thursdays, and Fridays from 9:00-10:15AM in the MPR. Conferences will run from January through the end of March. Meeting is with students and their parents in order to review transcripts, present graduation requirements and college requirements, choose classes for junior year, plan classes for senior year, share updates on standardized testing, and go over post-secondary options. Parents and students receive an invitation a week in advance. A letter is enclosed that directs students and parents to watch the sophomore conference video prior to attending the in-person conference. Materials for the sophomore conference can be found on Canvas under the UHS Counseling Class of 2025 course. Parents and students are asked to review these materials prior to attending the conference so that they are prepared and can make the most of our time together.
