

## PURPOSE

University High School Athletics is proud to announce their annual Summer Athletic Programs. The University Athletic Department continues to credit much of its athletic success to its strong summer programs. Many of the Trojan athletic teams have captured league and CIF championships. This athletic opportunity comes from a strong commitment by both our athletes and our coaching staff. The camps are designed to teach skills in each sport as well as proper conditioning and strength techniques.

Camps are open to all student-athletes, are recreational, and entirely voluntary. Daily attendance supports athletic development but is not required. Participation in camps is not offered for credit and is not a prerequisite for equal access to participate in athletics during the school year. Please note:

- Not all programs offer a summer camp.
- Separate tryout dates will be posted on the University High School website.

## PARTICIPATION REQUIREMENTS

- Students must be enrolled at University HS. Visit [IUSD Enrollment](#) to learn more.
- All student athletes (new or returning) must be cleared by the Athletics Office for the 2022-2023 school year before the start of camp. Directions for:
  - [New Athletes](#)
  - [Returning Athletes](#)
- Students must register for summer camp by submitting payment on or before the first day of camp.

IUSD does not discriminate in enrollment in or access to any athletics program available. Admission to these programs is based on age appropriateness, team roster space, aptitude and meeting academic and behaviors eligibility requirements. The lack of English skills shall not be a barrier to admission to or participation in the District's activities and programs. See Bd Policy 5145.5 Nondiscrimination for more information and who to contact.
