

UNIVERSITY HIGH SCHOOL ATHLETICS

2020 Summer Camps

University High School Athletics is proud to announce their annual Summer Skills Camp Programs. The University Athletic Department continues to credit much of its athletic success to its strong summer programs. Many of the Trojan athletic teams have captured league and CIF championships. This athletic opportunity comes from a strong commitment by both our athletes and our coaching staff. The camps are designed to teach skills in each sport as well as proper conditioning and strength techniques.

Summer Athletic Skills Camps are open to all University H.S. athletes, are purely recreational and completely voluntary. Daily attendance aids in development but is not required. Participation in the camps is not offered for credit and is not a prerequisite for equal access to participate in athletics during the school year. **Not all sports offered during the school year run summer programs.**

HOW TO PARTICIPATE

IMPORTANT NOTE: Until social distancing guidelines are lifted, this year's clearance and registration process will be completed online to avoid person to person contact and mitigate the spread of COVID-19.

****Refunds will ONLY be issued if Summer Camps are cancelled.**

IUSD does not discriminate in enrollment in or access to any athletics program available. Admission to these programs is based on age appropriateness, team roster space, aptitude and meeting academic and behavioral eligibility requirements. The lack of English skills shall not be a barrier to admission to or participation in the District's activities and programs. See Bd Policy 5145.5 Nondiscrimination for more information and who to contact.
