CSU The California State University

What makes a CSU campus "selective?"

Campus Impaction: Occurs when a campus receives more eligible applications in the initial filing period than there are enrollment spaces available

  - Results in more selective admission criteria

CSU Campuses fall into 3 categories:
  - Non-impacted-admit using CSU eligibility
  - Campus impaction (some majors impacted)
  - Impacted in all programs (all majors)

CSU Overview

➢ **23 campuses**

➢ **Application Submission Period**

  ➢ **October 1-November 30**

➢ **Campuses not impacted (20-21)**

        - A GPA between 2.00 and 2.49 may be evaluated for admission based upon supplemental factors
- **Credit/No Credit**
    - CSU will consider course grades of "credit" or "pass" as fulfilling "a-g" requirements for those courses completed during spring 2020
