SENDING OFFICIAL TRANSCRIPTS

UC and CSU do not require transcripts until you have been accepted and plan to attend (final transcript only). For schools with a portal for counselors to upload information (i.e. CommonApp, Coalition, SendEDU, MIT, Georgetown, etc.) counselors will send your official transcript (make sure that you are inviting your counselor to upload your transcript in this scenario). If schools do not provide an option for counselors to submit transcripts for you, you will be responsible for sending your own transcript. Please either see Mrs. Yang to obtain an official copy to be mailed or visit Parchment [here](#) to send electronically and track your transcript.

Tips for Parents of College Bound Students about the College Application Process

- **Communicate**
 - It is a family decision on several levels.
 - Set limits at the beginning that are important to your family. (e.g. cost, distance from home, etc.)
 - Be honest about your aims and aspirations for your child. Agree to disagree.
- **Be realistic**
 - Look for the right fit. The *chemistry* between the child and the college is critical.
 - Check many sources, especially on the internet. Go beyond *US News & World Report* and other media sources. Double check the accuracy of the information.
- **Be optimistic**
 - This should be an exciting time for the family so embrace the experience and explore ALL options.
- **Be supportive and caring**
 - Celebrate your child's accomplishments.
 - Listen to what your child is saying. Listen to what your child is NOT saying (often fears are not verbalized).
 - Let your child take ownership of the process. Find a comfortable place between running the college search process and remaining at a comfortable distance.
 - **"We"** are not applying to college. Your child is. Remember this is your child's journey, not yours.
